

INCASSI DA INTERNO
INDOOR RECESSED LIGHT

FESSURA

design Luce Lab

Corpo illuminante wall-washer per interni, a luce indiretta e diffusa, in metallo con interno verniciato bianco.

È un prodotto da incasso a scomparsa totale predisposto per installazione e rasatura a filo parete; utilizzabile su cartongesso o su laterizio senza necessità di cassaforma.

Il prodotto è disponibile nella lunghezza 450mm e 1200mm con diverse elettrificazioni e potenze da selezionare in base al progetto illuminotecnico.

Il diffusore in metacrilato (A) è consigliato solo per l'installazione in verticale.

Recessed wallwasher for indoors with indirect diffused light. Metal white painted inside.

The product is installed, coated and smoothed at the same level of the wall for a total recessed solution. For plasterboard or brick wall without the use of a recessed box.

The product is available in lengths 450mm and 1200mm with different electrifications and powers to be selected according to the lighting project.

The metacrilate diffuser (A) is recommended for vertical installation only.
